"Acceptance"

God willing Terri from Alabama will be a speaker this year!!

Women in recovery are invited to spend time with other women in recovery. You can get away to enjoy God's awesome gifts he has shared with us. You may sit quietly with God at serenity point or join a group of women sharing sobriety. We will have women with many years of recovery here. Come find out and share how you stay sober one day at time. You may come and go as you please or stay the whole time. There will be many mini meetings about girls stuff.
